Profile of MUDRA Udyamis

Funding the unfunded

The NSSO Survey (2013) has observed that there are 5.77 crore small / micro units in the country, which employs around 12 crore people, mostly individual proprietorship / 'Own Account Enterprises'. Over 60% of units are owned by persons belonging to Scheduled Caste, Scheduled Tribe or Other Backward Classes. Majority of these units are outside the formal banking system and are forced to borrow from informal sources or use their limited own funds. With a view to bridge the gap in financing of this sector, the Hon'ble Prime Minister launched the Pradhan Mantri Mudra Yojana (PMMY) with Micro Units Development & Refinance Agency Limited (MUDRA) as a support institution.

Pradhan Mantri Mudra Yojana (PMMY), a scheme to finance income generating small business enterprises was launched on 08th April, 2015, along with the launch of MUDRA, wherein all banks are required to finance micro entrepreneurs engaged in income generating activities with loan requirement up to ₹ 10 lakh. MUDRA provides refinance support to banks and other lending institutions lending under PMMY, as per their needs. MUDRA credit guarantee support is also available to all eligible institutions under the Yojana.

The lending under Mudra Yojana would focus on unfunded segments of the micro enterprises engaged in manufacturing, processing, trading, service sector activities and activities allied to agriculture by granting the loans in three categories which contribute significantly to the nation's GDP:

- Loans up to ₹ 50,000 (Shishu)
- Loans above ₹ 50,001 and up to ₹ 5 lakh (Kishor)

- Loans above ₹ 5,00,001 and up to ₹ 10 lakh (Tarun)

The programme is being implemented across the country by Banks, MFIs & NBFCs. MUDRA, as part of its monitoring the programme, has developed a dedicated portal to monitor the progress of PMMY on a weekly basis.

To facilitate hassle-free and flexible working capital to the borrowers, MUDRA has also introduced the MUDRA card, a debit card on RuPay platform. About 8.30 lakh cards for an amount of ₹ 4,300 crore have been issued so far.

The programme has been a great success and has surpassed the annual targets set in each year. The programme has helped more than 11 crore loan accounts to avail of credit to the extent of ₹ 5.60 lakh crore from various formal credit institutions. The PMMY has thus helped many aspiring entrepreneurs to realise their dreams of finding employment and income generation, which had hitherto remained unrealised due to lack of funding support.

Mudra yojana has produced a lot of successful micro entrepreneurs in our country in the last three years. Of these, a few selected successful entrepreneurs are meeting the Hon'ble Prime Minister on the 11th April 2018, during the third anniversary of MUDRA yojana, to thank him for the yojana, which has changed the lives of many.

A brief of these 110 successful borrowers are given in this booklet.
